This fee will be reviewed annually and clearly documented, when applicable. Where fees are not stated, you should contact Student Support for details before committing to the course.

When you enrol in a government-subsidised course you may be required to pay a compulsory 'student administration fee' unless you qualify for a fee exemption or fee concession. These fees are determined by the Government and subject to change and may not be known until applying for a funded course. Refer to Contour website for a list of concession details if/when they apply or speak to a Student Support Officer before confirming to proceed or committing to any payment.

All fees, except for an administration fee (when applicable) may be refundable under certain circumstances. Refer to College Refund Policy on the procedure.

Contour College will apply charges to late fee payments, bank fees related to direct debit payment plans and the use of electronic fee transmission payments. These charges will be clearly displayed at reception, documented prior to enrolment or collection of monies.
